

Science in action

Themes of the week		
	Science	Outdoor fun with plants
Week 1	Aquatic science	Exploring Plants-1
Week 2	Light spectrum	Exploring Plants-2
Week 3	Magnetism	Super power of Plants
Week 4	Chemical reactions	Parts of a Flower
Week 5	Wind power	Corn seed Germination
Week 6	Electric and Static charge	Flowers
Week 7	Force and Motion	Seeds
Week 8	Crystallization	Soil
Week 9	Atoms and Molecules	Can plants be grow without seeds
Week 10	Nature's science	Plants role in global warming
